

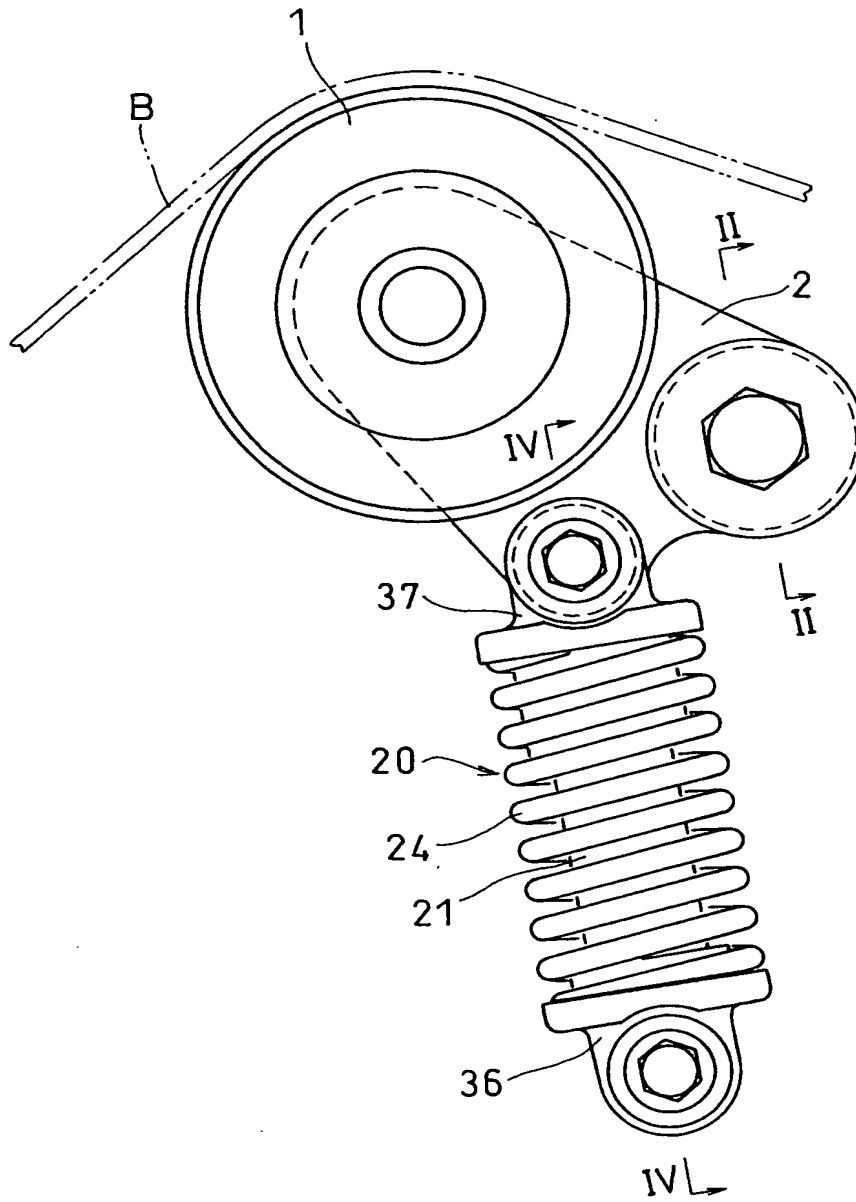

Fig.1

This cross-sectional view shows a mechanical assembly. A base component 7 is shown at the bottom. Above it is a layer 6, followed by a layer 5. A component 3 is positioned on top of layer 5. A component 10 is shown to the right of component 3. A component 11 is shown above component 10. A component 12 is shown between component 3 and component 10. A component 13 is shown between component 12 and component 11. A component 7a is shown to the right of component 10. The labels 12a and 12b point to specific features of component 12.
